The World Leader
In Data Elimination

ICC-15SSD
Mobile Destruction Cart

IRONCLAD®
(Patent pending)

Removable doors

PD-5
NSA-listed hard drive destroyer

TS-1
NSA-listed degausser

SSD-1
patented solid-state destroyer

Mobile Destruction Cart

Maintain chain-of-custody with in-house mobile destruction. Accurately track, document, and preserve records for archival and audit purposes. Simply roll the cart to the data, plug in and destroy. IRONCLAD automatically generates an exportable certificate of erasure and destruction with JPG images of degaussed hard drives.

ICC-15SSD Package Features

- TS-1 NSA-listed degausser
- PD-5 NSA-listed hard drive destroyer
- SSD-1 patented solid-state destroyer
- IRONCLAD Erasure Verification System
- Large, run-flat tires for effortless pushing through office doors, hallways and across uneven pavement
- Auxiliary outlets provide power for additional equipment

Ensure No Data is Left Behind

☑ Maintain chain-of-custody by rolling the data destruction cart to the media

☑ Erase hard drives to NSA Standards with the TS-1 degausser

☑ Physically destroy hard drives to NSA Standards with the PD-5 hard drive destroyer

☑ Track, document, and generate an IRONCLAD certificate of erasure and destruction with images of erased hard drives to withstand scrutiny of security audits

IRONCLAD® Verification

IRONCLAD captures a JPG image of the degaussed media and automatically generates a certificate of erasure and destruction, including the crush depth of the PD-5. (Patent pending)

CERTIFICATE OF ERASURE & DESTRUCTION

FEATURES	BENEFITS
Custom built cart	• Removable doors protect equipment during transport • Large wheels and run-flat tires provide effortless pushing through office doors, hallways, and across uneven pavement • Pivoting wheel base provides superior turning capabilities • Auxiliary outlets provide power for additional equipment
NSA-listed TS-1 degausser	• 20,000 Gauss completely erases all data on hard drives in ~ 45 seconds • Complies with government and industry regulatory standards • Approved for erasure of Top Secret Data
IRONCLAD Erasure Verification System with JPG Image Capture	• Acts as a digital witness automatically verifying erasure and physical destruction of the data • Captures a JPG image of erased media • Generates a proof-of-erasure and destruction report, including crush depth of the PD-5
NSA-listed PD-5 hard drive destroyer	• 7+ tons of force crushes up to 1,800 2.5" laptop hard drives per hour, 10 per cycle • Fast 20-second cycle time • Sturdy crush chamber stands up to enterprise use • Electric driver motor, no messy hydraulics
SSD-1 patented solid-state destroyer	• 90 spikes puncture, perforate, waffle and demolish individual memory chips on solid-state media, thumb drives, and SSHDs preventing data retrieval
Shore power cord	• Supplies power to all equipment with one power cord • Plugs into standard wall outlet

SPECIFICATIONS

Certificates/Listings	**TS-1:** NSA/CSS **TS-1E:** NSA/CSS • CE **PD-5:** NSA/CSS EPL **PD-5E:** NSA/CSS • CE **SDD-1 • SSD-1E:** Patented **IRONCLAD :** Patent pending • CE
Erasure Verification	IRONCLAD and SCAN-1 compatible

Media	**TS-1 IRONCLAD:**
	    Hard drives:
	        Laptop, standard, or network
	          up to 1.25 in. in height
	    Tape media:
	        All, all DLT, AIT, 2590 Series, 8mm, and others
	PD-5:
	    Hard drives up to 2.25 in. in height

Power Consumption	115W standby; 1800W max. (TS-1 & PD-5)
Weight	**ICC-15SSD:** 490 lbs. (222.3 kg) fully equipped

SPECIFICATIONS

Size (HxWxD)	**CART-ICC:**
	    44.3 x 45.5 x 30.8 (in.)
	    1124 x 1157 x 781(mm)
	    height w/IRONCLAD 53.8 in. (1365.3 mm)

Humidity	10%H - 40%H without condensation
Temperature	41°F - 104°F (5°C - 40°C)

Warranty	**CART-ICC**:
	One-year parts and labor
	TS-1 • PD-5:
	    One-year manufacturer's limited warranty standard, optional three year limited warranty available
	TS-1E • PD-5E • IRONCLAD:
	    One-year manufacturer's limited warranty standard
	SCANNER • SDD-1:
	    Ninety-day manufacturer's limited warranty

Made In U.S.A.	By Garner Products, Inc.

Note: Hard drives and some tapes are not reusable after being degaussed.
